

Time Step # 4: 5 am Sunday, September 4th

• Services:

- NHC track, warnings, storm surge, wind forecasts including probabilities & timing
- WPC rainfall forecasts & excessive rainfall outlooks
- NWC Flood Hazard Outlook (FHO)
- NERFC river hydrographs

• Questions to consider:

- Any considerations for closing Cape Cod bridges soon?
- CT & RI, any considerations to closing portions of I-95 due to coastal flooding & high winds?
- Coordination with rail services? Amtrak, MBTA, commuter rail, MetroNorth (New Haven line), etc.,
- Coordination with USCG regarding ports closures?
